## Clog Na Leinn Broadband Information

The homes in Clog Na Leinn have fibre to the home (FTTH) connections, meaning that each home has a fibre connection coming into it - there is no copper [Telco] cable serving the community. The fibre connection is used to deliver internet access to your home, as well any other add-on services you wish to add, such as a phone and TV services.

The following Internet Service Providers (ISP's) provide to the community:

- Eir <https://www.eir.ie/broadband/>
- Vodafone <https://n.vodafone.ie/shop/broadband.html>
- Sky <https://www.sky.com/ie/broadband>

Virgin Media (per their website) does **not** currently offer internet service to Clog Na Leinn - if you want Virgin Media as an ISP, you are advised to call them to enquire about obtaining a service.

### NOTE:

1. **You are advised to check the ISP sites for current pricing of packages**
